

OHA Board Meeting Minutes December 12, 2018

Attendees: Troy Orr, Janet Seng, Jeff Stromberger, Erin Bradshaw, Mike Hoff, John Stear, Matt Nichols

Old Business:

1. Those who owe on property dues will be published soon.
2. City was seen starting to collect leaves again. There have still been large leaf piles in the streets despite the email sent out to the neighborhood.

New Business:

1. Conversation held on the rental covenant. The board is following up on one property.
2. Sidewalks for both parks will not be maintained during the winter. They are considered use at your own risk.
3. The Woodhavens street sign is rusty and not very readable. Matt is getting a quote for a new sign.
4. There will be a January meeting but most likely not a February meeting. Date and location to be determined later. It will occur the second week of the month.
