

OHA Board Meeting Minutes

June 11, 2019

Attendees: Troy Orr, Janet Seng, Jeff Stromberger, Mike Hoff, Erin Bradshaw Guest: Megan and Jason Goeden

Old Business:

1. Mike is now researching new equipment for the basketball court
3. Stop Signs should be purchased by Matt.
4. Storage lot update
6. Potholes are still needing to be filled but the company should be out shortly.
7. Reviewed quotes on lawncare of the main common area. Enough votes were gotten to approve overseeding and aeration in the fall. There were not enough votes to approve of spraying the park grass at this time.
8. Quotes were received for neighborhood signs but they seemed high. Megan said she has worked with someone else for these and is getting a new quote.

New Business:

1. Board discussed enforcement issues on many covenants. Discussion was made about suggesting to the new board in the fall to review all and possibly redo these. The focus would be on better wording but Janet will have an email sent out to the neighborhood asking what they would like to keep and change of the covenants. Email list still needs updating.
2. No July Meeting. August meeting will be held.
